on the 29th day of November in the year 2019

Gisela Cornejo
Gisela Cornejo
ITT Director of Academics

All ITTi International English teacher certification courses worldwide fully meet British Council criteria for employment within the British Council and at British Council-accredited language schools. The ITTi TESOL Certificate Course is a four-week, intensive English teacher certification course that includes approximately 120 hours of study and at least 6 hours of Observed English-Teaching Practice. It meets or exceeds all international standards for initial English teacher training.
