Visayas State University

Dear Sir Mazo,

I am writing to express my strong interest in the Physical Education part-time instructor position at Visayas State University. As a graduate with a major in Physical Education, I am excited about the prospect of sharing my knowledge and passion for this subject with students at your institution.

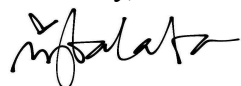

I am confident that my academic background and physical fitness make me an ideal candidate for the position. Throughout my studies, I have gained a deep understanding of the principles and practices of physical education. I have also had the opportunity to participate in a range of athletic activities, including team sports and individual pursuits, which have helped me to develop my own physical fitness and coordination.

As a college graduate with no formal work experience, I am eager to contribute my teaching abilities and internship-gained skills. My internship provided me with a firm foundation in instructional techniques and effective communication, which I am ambitious to implement in a teaching position. Despite my lack of professional experience, I am confident in my ability to deliver engaging and impactful lessons to students, and I am devoted to continuous growth and development in my teaching practice.

In addition to my academic and athletic achievements, as a former athlete in our University, a bronze medalist in Arnis in the State Colleges and Universities Athletic Association (SCUAA) 2019 I have a unique perspective on the significance of physical fitness and its direct relationship to my field of study. Likewise, my proficiency in arts, calligraphy, and drawing ignites my creativity, enabling me to effectively impart knowledge to my students through innovative and visually engaging teaching methods.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and qualifications align with your department's goals in more detail.

Sincerely,

Mikaela Joy Balaba
