MANUEL GACUTAN, Ph.D.

Department Head
Department of Animal Science
Visayas State University
Baybay City, Leyte

Dear Dr. Gacutan,

I am writing to express my interest in the position of part-time instructor that you are posting in the Department of Animal Science. I believe that the position would be a good fit for my educational and professional background.

I am a recent graduate of MS in Animal Science with the help of the scholarship granted by the DOST-ASTHRDP. Having previously worked in a private firm relevant to the field and with my educational attainment, I have acquainted myself with a range of knowledge and skills that are deemed important to be imparted to students. In addition, my experience last semester in the department as a part-time instructor has given me insights into how to effectively translate the gained theoretical concepts to students for real-world applications.

For your perusal and evaluation, I have attached my curriculum vitae. Should you find me a suitable candidate, you can reach me through phone number +63 927 5647 036. You can also reach me at my email address: ac.conde@vsu.edu.ph

Sincerely,

ANTHONY CHRISTIAN Y. CONDE
