EXTRACURRICULAR ACTIVITIES

**Department of Pure and Applied
Chemistry Secretary**
2018 to Present

**Integrated Chemist of the Philippines
Member**
January 2018 to Present

**Philippine Society of Biochemistry and
Molecular Biology Member**
2018 to Present

**Sangguniang Kabataan (SK) Secretary
of Brgy. Gaas**
July 15, 2018 to August 2019

Chemical Society Member
June 2013 to June 2017

HOBBIES

Reading
Journaling
Thrifting
Trading and Investing

EDUCATION

Visayas State University
June 2013 to June 14, 2017
BS Chemistry
College Honor 2nd Semester, SY 2014-2015
University Honor 2nd Semester, SY 2013-2014
College Honor 1st Semester, SY 2013-2014

Baybay National High School
June 2009 – June 2013
With Honors

WORK EXPERIENCE

**Department of Pure and Applied Chemistry
Visayas State University [Substitute Instructor]**
August 1, 2018–Present
Educating students on Chemistry and its applications on their chosen field by applying variety of instructional techniques.

**Department of Soil Science – Sugar Regulatory Administration
Visayas State University [Soil Chemist]**
December 1, 2017–July 31, 2018
Performed chemical and physical analysis for soil and plant samples in compliance with the established methods and protocols with regulatory agencies and safety equipment.

SKILLS

Laboratory Instrumentations (such as UV-Vis Spectrophotometer, FT-IR, HPLC, Analytical Balance and Soil Moisture Content Analyzer)

Soil Chemical and Physical Analyses

Verbal and Written Communication (English, Tagalog and Cebuano)

Laboratory and Lecture Classroom Management

Proficient in MS Office Software, Chem Sketch, Chem Draw, Spartan and IBM SPSS
