Hard Skill

- MS Office proficiency
- Engineering software proficiency
- Engineering valuation
- Computer literacy

Soft Skill

- Observation
- Decision making
- Communication skills
- Multi-tasking
- Leadership

Education Background

- Visayas State University – Main Campus
Bachelor of Science in Mechanical Engineering
2015 – 2020
- Grelina Osmena Christian College
Secondary Education
2011 – 2015
- Grelina Osmena Christian College
Elementary Education
2005 – 2011

About Me

Recently passed the February 2023 Mechanical Engineering Licensure Exam and hopes to bring a solid mechanical engineering background as an entry-level Mechanical Engineer, as well as practical knowledge acquired through internships and experience. I am eager to use my knowledge and enthusiasm for innovation to make contribution to the field that is significant. A quick learner and team player, I am a hard worker which makes me a valuable contributor to any team of engineers.

Professional Experience

PASAR Corp. | Team Leader, Mechanical Maintenance
January 2024 – Present

Key responsibilities:

- Leading pre-shift meetings before start of planned activities
- In-charge of the team to follow safety maintenance procedures
