DR. EUSEBIO R. LINA JR.
Department Head, Department of Mathematics
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Lina,

Good day!

I am writing to apply for a Faculty position under the Department of Mathematics at Visayas State University. I am confident that my teaching experiences in mathematics, along with my commitment to helping students succeed, makes me an ideal candidate for this role.

As a Licensed Professional Teacher with a Master's degree in Education (Mathematics), I have been teaching students in mathematics for the past 7 years, ranging from Junior High School to College levels. Throughout my teaching career, I have honed my skills in motivating and engaging students in their learning. My approach to teaching involves fostering an interactive learning environment that inspires students to explore mathematics and inquire about new concepts. I emphasize problem-solving skills and strive to make my classes enjoyable for students. I am also knowledgeable in mathematics curriculum, assessment, and instruction.

Teaching is my passion, and I am dedicated to supporting students in achieving their full potential. My teaching experience encompasses various math courses, such as Algebra, Geometry, Statistics, Calculus, etc. Furthermore, I have utilized technology to enrich teaching and foster student involvement.

I am certain that I am the ideal candidate for the Math Instructor role. With my experience, knowledge, and commitment, I am well-equipped to aid students in their learning and accomplishments. I am eager to further discuss my qualifications and showcase how I can contribute to your students' success.

Sincerely,

JEAN ARISTONET W. LEYSON
