Dear Prof. Quebec:

*Greetings!*

I am interested in applying for a teaching position in your Department of Liberal Arts & Behavioral Sciences this school year 2021-2022 which is published at your university official social media website in June 2021.

I am a graduate with vertically aligned degrees in Master of Arts in Philosophy, Diploma in Professional Education with units in Special Education, and Bachelor of Arts in Philosophy from University of San Jose-Recoletos.

I have considerable experience in teaching college students. In my 12 years of teaching, I have embraced different school cultures that enhance my professional skills and traits. Also, I have varied experience teaching general education course subjects and conducting multi-disciplinary research. And I would like to impart such expertise of mine to your student clienteles if you give me a chance. You can contact me at +63 905 464 7942 if there is a chance and merit for my application.

I am hoping for a favorable response. Thank you!

Very respectfully yours,

ASISCLO III M. ABONADO
