A graduate of Bachelor of Secondary Education specializing in Social Studies, equipped with profound skills in teaching, classroom administration, critical thinking, and communication. With undeniable passion for education, seeking to obtain a position where I can utilize my knowledge and experiences and attain personal and professional development to contribute to the progress of this excelling institution.

Experiences

2019

Special Program for the Employment of Students (Student Employee)

- Dealt with and assisted patients from all walks of life in our local Rural Health Unit where I improved my interpersonal communication skills.

September
2024 –
November
2024

Student Teacher/Intern (Baybay National High School)

- 5 full teaching loads for Araling Panlipunan 8 (Edukasyon sa Pagpapakatao), where student-centered instructions were delivered.
- Administered quizzes, unit test, quarterly assessment.
- Recorded, assessed, and evaluated students' outputs and academic performances and computed their grades for the quarter.
- Updated and compiled school forms to provide reliable report for students' information.
