EDUCATION

Bachelor of Science in Environmental Science, *Magna cum laude* August 2025 - July 2025
Visayas State University, Visca, Baybay City, Leyte GWA: 1.4006
Ormoc City LGU Scholar
Ormoc City Academic Scholars Association (OCASA), Ormoc City, Leyte

EXPERIENCE AND QUALIFICATIONS

Thesis Project
Assessment of the Drinking Water Quality and the Community Practices of Barangay Altavista, Ormoc City: Implications for Public Health and Water Sustainability

- Designed and implemented a field-based water sampling method to monitor and evaluate the quality of wellpsring sources using fecal pollution indicators , coliform bacteria and *Escherichia coli*.
- Developed recommendations for water safety and management, aligned with local environmental policies and community needs.

Environmental Impact Assessment

- Prepared EIA report including land use, water quality, community risk assessments for the proposed Mega City Project at Barangay Naungan, Ormoc City.
- Facilitated the data collection for the potential environmental impacts using screening, scoping, and matrix evaluation based on the DENR EIA guidelines and ECC compliance frameworks in project documentation.
- Drafted sections on baseline environmental conditions, mitigation measures, and environmental management plans (EMP).
- Learned to apply Philippine EIA process and legal requirements in technical reporting.

Watershed Management

- Conducted an in-situ assessment of the watershed’s ecological conditions including land use, river conditions, biodiversity, and community water use in Quinapondan, Eastern Samar.
- Assisted the preliminary condition of the vegetation of the Quinapondan Watershed

SHORT COURSES, TRAININGS AND CERTIFCATIONS

- Certificate of Participation**, *Research Essential Skills: A Workshop for STEM Teachers and Students* October 28, 2023
Filipino Science Hub
- Certificate of Completion**, *Basic Concepts and Impacts of Climate Change in Agriculture, Forestry, and Natural Resources* Febuary 1, 2024
DOST- PCAARD
- Certificate of Completion**, *Soil Science in Agriculture* February 12, 2024
DOST- PCAARD
- Certificate of Leadership Award**, *Vice President* August 2023 - June 2024
Helpers in Outreaching Mother Earth’s Stability (HOMES-VSU)
- Certificate of Completion**, *Nature-Based Solutions for Disaster and Climate Resilience* August 31, 2024
United Nations Environment Programme
- Certificate of Completion**, *Basics of Resilience* January 20 - February 14, 2025
University of the Philippines Open University
- Certificate of Completion**, *Strategies and Best Practices on Mainstreaming Biodiversity in Agriculture* March 17 - April 11, 2025
University of the Philippines Open University

SKILLS

- **Technical Skills:** MS Word, Spreadsheets, Powerpoint, Google Workspace, Basic GIS.
- **Soft Skills:**
 - Strong verbal communication and public speaking ability
 - Capable of explaining technical or scientific information clearly to diverse audiences
 - Comfortable in facilitating discussions, orientations, or community meetings
- **Languages:** English, Filipino, Cebuano Bisaya
