DR. PROSE IVY YEPES
President
Visayas State University
Baybay, Leyte

Dear Ma'am:

I am writing this letter with the intention of applying as a Social Studies instructor at your reputable institution. I'm thrilled to have the opportunity to join the team and to use my skills to contribute and benefit your organization.

I graduated with honors on July 7, 2023, from Leyte Normal University with a bachelor's degree in Secondary Education—major in Social Studies. I am, as well, a Dean's Lister and Practice Teaching Proficiency Awardee. Together with my research group in college, we were able to publish our undergraduate thesis, which is entitled "Collective Experiences and Perceptions of Senior High School Students in Blended Learning." I am a firm believer in the power of education—the greatest equalizer.

Consequently, it is my pleasure to become part your organization. I am currently pursuing my masters at Leyte Normal University. I'm a highly driven, results-driven individual that is dedicated to offering quality education. I am positive that I can provide value to your organization. Likewise, I am always willing and open to new leanings. I constantly strive to better myself and excel as an individual. I have faith that your organization will enable me to maximize my potential.

Sincerely,

Regien M. Gamba
