Subject: Application for Part-Time Instructor

Dear Ms. Cobico,

Good day!

I am writing to formally express my interest in the position of Part-Time Social Science Instructor in the Department of Philosophy and Social Sciences at Visayas State University. I am a newly Licensed Professional Teacher, having earned my Bachelor of Secondary Education major in Social Studies, graduating Cum Laude from Visayas State University – Main Campus on August 7, 2024.

My training as an educator has prepared me not only for teaching in secondary education but also for engaging college students in higher-level critical thinking, interdisciplinary discussions, and research-oriented learning. During my practice teaching at Bunga National High School, I designed and implemented student-centered lessons that encouraged analytical reflection on social issues—a skill set I am eager to apply and deepen in a collegiate setting.

In addition to my academic background, I have professional experience as a Customer Service Representative handling a financial account. This role has honed my ability to communicate complex ideas, manage diverse interactions with professionalism, and cultivate empathy—skills that are especially relevant in guiding college students through nuanced social science topics and discussions.

Throughout my studies at Visayas State University, I received extensive training in curriculum development, scholarly research integration, and facilitating discussions that encourage students to critically examine social realities. I am particularly excited about contributing to the department's mission of shaping thoughtful, socially aware graduates.

I would be grateful for the opportunity to further discuss how my background, skills, and passion align with the needs of your department. Thank you very much for considering my application. I look forward to the possibility of joining your faculty and contributing to the academic growth of your students.

Respectfully yours,

JESSA BETTY LLOREN
