One unit of credit is one hour lecture or recitation or three hours of laboratory work, drafting or shop work each week for the period of a complete semester.

The semestral average of a student is computed by multiplying the number of units assigned to a course by the grade earned and the product divided by the total units earned for the semester.

Note: This transcript is considered original when it bears the seal of the University and the original signature of the University Registrar.

Any erasure or alteration made on this copy renders the whole transcript invalid.

Not Valid Without Seal MIRIAM M. DE LA TORRE OIC, University Registrar

Management System ISO 9001:2015

ision: A globally competitive university for science, technology, and environmental conservation.

Ission: Development of a highly competitive human resource, cutting-edge scientific knowledge

and innovative technologies for sustainable communities and environment.
