Visayas State University

Baybay City, Leyte

Dear Sir/Ma'am,

With a deep passion for education and a proven record of inspiring young minds, I am excited to express my interest in joining again as your dedicated teaching staff for a part time instructor as Physical education teacher.

As a graduate of Bachelor of Physical Education at the Visayas State University. The university allows me to foster skills and abilities in terms of time management, responsibilities, cooperation, leadership, companionship, and knowledge in Physical Education as I even involvements myself in few organizations and as a student athlete. Additionally, I am a sports enthusiast which now has a coaching level D professional licence in football grassroots. Who firmly inspire and motivate students with quality education through sports and physical activities. Aiming to continue learning and builds a better version with discipline, resilience, teamwork, flexibility, perseverance, and with good character.

Though with this given philosophies and goal, putting it in action takes effort, courage, sacrifices, and dilemmas. Likewise, to the first teaching experience at VSUIHS S.Y. 2024-2025. It was a great challenge yet with the help of the people around me and the student's leadership and cooperation- we overcome it all. With the knowledge, skills, and experiences I gained and the desire to continue to learn more, I am certain of the quality of education I can teach students in the best of my abilities, to convey to them the importance of physical education in their daily lives.

Thank you for investing your time in reading this letter. I have attached my resume for your consideration, and if you are interested in learning more about my qualifications and experiences, please do not hesitate to contact me using the information above.

I look forward to hearing from you at your convenience.

Respectfully yours,

Mariel B. Martinez
