ENGR. VIC ANGELO L. IMPAS, M.Sc.

Head, Department of Mechanical Engineering
Visayas State University
Baybay City, Leyte, Philippines

Sir:

Greetings!

I am Ayrton John V. Bantay, 30 years old, a graduate of Bohol Island State University – Main Campus (BISU-MC), Tagbilaran City, and the University of Bohol, holding degrees in Bachelor of Science in Mechanical Engineering and Bachelor of Secondary Education, major in Mathematics (Qualifying Program). I passed the Mechanical Engineers Licensure Examination in 2016 and the Licensure Examination for Teachers in 2022. Additionally, I hold a Master of Science in Mathematics from BISU-MC and a Master of Engineering, major in Mechanical Engineering, from Cebu Institute of Technology – University.

I recently learned about the vacant Assistant Professor I position in the Department of Mechanical Engineering (DME) and would like to express my sincere intent to be considered for this opportunity.

As a dedicated and visionary professional, I am committed to academic excellence, collaboration, and continuous improvement. I aim to contribute my expertise and skills to support the department's mandate and work closely with faculty, students, and stakeholders to achieve its goals. With my diverse academic background and professional experience, I believe I can make a meaningful impact and uphold the department's standards of excellence.

Enclosed are my pertinent documents for your review.

I look forward to your positive response. Thank you, and more power.

Respectfully,

AYRTON JOHN V. BANTAY
