SUMMARY

Diligent, organized, and integrity-driven. I am a fresh BS Chemistry graduate who aspires to be a part-time instructor. I aim to teach in a learning environment focused on the learners' needs by learning to employ appropriate educational models for effective chemistry teaching. I possess adequate communication skills. I also exhibit sensitivity towards differences such as in gender, religion, race, culture, etc.

EDUCATIONAL BACKGROUND

- 2018-2022 **Bachelor of Science in Chemistry**
DOST-SEI Merit Scholar
Visayas State University, Baybay City, Leyte
- 2016-2018 **Science, Technology, Engineering & Mathematics (SHS)**
Western Leyte College of Ormoc City, Inc.

KEY EXPERIENCES

- Intern** Ormoc Doctors' Hospital (January 2018 – March 2018)
As part of our immersion, I assisted medical technologists in various laboratory tests & nurses in patient care; and also managed important phone calls from clients and doctors from related hospitals.
- President** WLC STEM Organization (2017-2018)
Responsible for conceptualization, detailed planning, and coordination of month-long science-related activities.
- Chief Editor** Le Corbeau & The Clockwork (2016-2018)
Responsible for collection and publication of relevant information in English during important institutional events.

SKILLS

Computer – Related Skills: Microsoft Office (Word/Excel/Powerpoint/Publisher)

Language Skills: Able to communicate effectively in English, Filipino, and Sinugbuanong Binisaya.
