Epifania G. Loreto

Head, Department of Civil Engineering
Visayas State University
Visca, Baybay City, Leyte

Dear Ma'am,

I am writing to express my interest in the Instructor I position within the Department of Civil Engineering at Visayas State University. With one year of teaching experience at Southern Leyte State University – Bontoc Campus and a background as a former DOST undergraduate scholar, I am eager to contribute my passion for education and civil engineering to your esteemed institution.

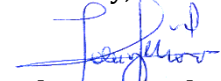

During my time at SLSU Bontoc Campus, I served as a part-time instructor, where I developed and delivered engaging lectures, facilitated practical sessions, and provided academic support to students. Though my experience has primarily been in academia, I have cultivated valuable skills in effective communication and student engagement. These skills, coupled with my dedication to fostering a supportive learning environment, have enabled me to effectively convey complex concepts to students of diverse backgrounds and abilities.

As a former DOST undergraduate scholar, I have demonstrated a strong commitment to academic excellence and personal development. My undergraduate studies in Southern Leyte State University have provided me with a solid theoretical foundation in the field of civil engineering. While I may not have direct industry experience, I am eager to apply my academic knowledge and enthusiasm for the field to contribute to the academic growth and success of students at Visayas State University.

I am particularly drawn to the opportunity to join the vibrant academic community at Visayas State University and collaborate with esteemed faculty members to inspire and empower the next generation of civil engineers. I am confident that my teaching experience, coupled with my background as a DOST scholar, uniquely qualifies me for this position and enables me to make a meaningful impact within the Department of Civil Engineering.

Thank you for considering my application. I am excited about the possibility of contributing to the academic excellence of Visayas State University and am available for an interview at your earliest convenience. Please find my curriculum vitae attached for further details about my qualifications.

Sincerely,

John Rey Q. Elardo
