Dear Ma'am Van,

I am writing to express my interest in the part-time instructor position at the Department of Liberal Arts and Behavioral Sciences. I am a graduating student with the degree of Bachelor of Arts in English Language Studies. I am excited about the opportunity to share my passion for linguistics with students and contribute to the academic community at Visayas State University.

Throughout my academic journey, I have developed a foundation both in theoretical and applied linguistics through coursework, research, seminars, and workshops. I have also gained experience as a president of the Baybay Writers Collective where I learned how to organize events and manage my time. I am confident that my experience and skills make me a valuable contribution to the department. I see this position as the perfect next step in my career. In this position, I expect to be able to develop myself further as a young professional.

Furthermore, I am thrilled about the prospect of working as a part-time instructor at the university because of its commitment to academic excellence and dedication to being globally competitive. I believe that these values align with my own, and I look forward to contributing to this mission.

Thank you so much for considering my application. I can be contacted at 09759968036 or through email at ramon.sorono@vsu.edu.ph.

Sincerely yours,

Ramon Ryan F. Sorono
