Dr. Yepes.:

Greetings of peace and goodwill!

I am **Vern Leander A. Dacoco**, a **Licensed Professional Teacher** who passed the **Licensure Examination** for Professional Teachers (LEPT) – Secondary (MAPEH) conducted on March 23, 2025. I am writing to formally express my intent to apply for the position of **Physical Education Faculty** in your esteemed educational institution.

With a strong foundation in education and a deep passion for public service, I am confident that my skills, knowledge, and experiences align with the mission and vision of Visayas State University.

In 2024, I graduated **Cum Laude** with a degree in **Bachelor of Physical Education (BPED)** from **Leyte Normal University**. This academic achievement equipped me with a range of practical skills and values essential for professional growth and service.

In 2025, I pursued **Philosophy and Theology units** for one academic year at **Saint Anthony Mary Claret College** and successfully completed the first stage of the **Formation Program for College Graduates/Young Professionals** at **Saint Anthony Mary Claret Seminary**. My seminary formation has honed my sense of discipline, integrity, and commitment to service, qualities that I believe will greatly contribute to my effectiveness and professionalism in the workplace.

I respectfully hope for your favorable consideration of my application. Should you require further information or documents, I may be reached via email at **vernleander@gmail.com** or through my mobile number **09219419126**.
