HRD Manager

Dear Mam / Sir:

Good day! I am Christopher John Sta Iglesia, legal age, married; and a resident of 446 Brgy. Kilim, Baybay City, Leyte, Philippines 6521.

Currently, I am working as a JO (Job Order) employee for the Accounting Department of Visayas State University.

Recently, I renewed my JO contract last January of 2023 until June 2023. Applying as Casual Employee for the same Department is an advantageous for me as I got familiar with the daily routine of work and more so applying additional knowledge from given task assigned from day to day basis.

This will be good for me starting from the bottom until I will reach the higher position. Attached in this application letter is my resume for your reference.

Looking forward to hear from you for an interview. Thank You and God bless.

Sincerely,

Christopher John Sta. Iglesia
