CHERYL C. BATISTEL, PhD

Department Head
Department of Biological Sciences
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Batistel,

I just learned about the call for applications recently and am greatly interested. However, my transcript of records (TOR) is still in Japan, as I am currently on a short vacation in the Philippines. I will be returning to Japan soon, and can then scan a copy of my TOR. In the meantime, I have decided to send copies of my diplomas instead. I am hoping for your understanding.

Sincerely,
