Dear Dr. Desades,

Good day!

I am writing to express my sincere interest in applying for the position of Part-Time Instructor in Social Studies at Visayas State University Laboratory High School. I earned my Bachelor's Degree in Secondary Education, major in Social Studies, *Cum Laude*, at the Visayas State University (VSU) Main Campus in August 2023.

I have gained two years of academic experience at Visayas State University Laboratory High School, where I served as a part-time instructor. Throughout my tenure, I had the privilege of working with students from diverse backgrounds and developed innovative and effective teaching methodologies. In addition to teaching, I took on the roles of adviser and coach, which further enhanced my instructional, supervisory, and communication skills. These experiences allowed me to refine my pedagogical approach and professionalism in handling various academic and extracurricular activities. Through active engagement in both organizational and academic activities, I have also strengthened my social and leadership skills.

With the knowledge and experience I have acquired; I am eager to contribute to your institution while continuing to grow as an educator.
