Dear Madam/Sir,

It is with great pleasure and honor that I am seeking with strong interest to secure a teaching position as a Filipino teacher in your school. I believe that my instructional abilities, combined with my strong interpersonal skills and work ethic would greatly benefit your Educational programs.

I am a graduate of Bachelor of Secondary Education major in Filipino at Visayas State University at Baybay City, Leyte with a latin honor Cumlaude . I am also a LET Passer last September 30, 2018. I believe that education is the key to success for every young student. As a teacher, I hope to motivate students in ascertaining their inner strengths and abilities and discovering what's truly inspires them. Through my teaching experience, I found out what teaching really means is that not just teaching but also inspiring and molding them to become a better person in the future and also lead them to the right path and reach their dreams in life. I had learned based on my experience in teaching that children learned more through their experience and their on strength and ability. They had more confident to retain information. I had made a right career choice for myself because I love teaching especially when they're learning and I want to help the young minds to reach their dreams that's why teaching is a noblest profession.

I have come to realize how vital education is in the preparation for young people to achieve success in all endeavours set before them. I hope to in still a love of learning and a desire for constant knowledge within each student.

Attached are all my requirements for your review and evaluation. Thank you for your time and consideration .Looking forward to work with the people in your respective institution and with this, rest assures of my highest competence and dedication to this noble task.
