Dear Dr. Mamolo,

Good day!

I am writing to express my interest in applying again as a Filipino teacher in your school. I have obtained my bachelor's degree in Secondary Education major in Filipino- *Cum Laude* last August 2022 at the Visayas State University (VSU-Main Campus). Last May 19, 2023 I passed the Licensure Examination for Teacher. And as of now, I continue my masteral study of Master of Arts and Education Major in Filipino at the Franciscan College of Immaculate Conception (FCIC-Baybay) with 30 units earner and passed the comprehensive examination.

Last school year 2024-2025, I was teaching at Visayas States University Integrated High School in Grade 7, Grade 8, and Grade 9. Also, S.Y 2023-2024 I was teaching Grade 8, 11 and Grade 12 as my experiences. This experience brought me much learning in terms of instruction and supervision, and it gave me the chance to learn and develop my pedagogy and communication skills. It also helped me with how to deal with different circumstances professionally. Through active involvement in organization and academics, I developed my social and leadership skills.

With these learnings and experiences, I wish to apply all that I have learned so far and improve them along with the hope to learn more in your school. I am interest in applying as a High School teacher in Filipino. I am very excited about the opportunity of joining your group as a Filipino teacher as it strives for excellence and quality.
