Department of Plant Breeding and Genetics

Dear Sir:

Peace and joy in our hearts...

As per the information that I have received from my colleague that the Department of Plant Breeding and Genetics is in need of Part-time instructor this coming 1st semester SY. 2021-2022. The undersigned is interested to apply in your good office.

This opportunity provides my career for growth and development, and would showcase my knowledge and learnings to the students as well as to the department as a whole. To provide a broader profile, I am one of the DA-Biotechnology scholar way back in my senior year and I have passed the Licensure Examination for Agriculturist last 2016. I would dedicate myself to render excellent services and teachings to the department.

I am willing to be interviewed at your most convenient time. Furthermore, I have attached my Curricular Vitae (CV) for your perusal at interview. You can reach me on this mobile number 09238701171 for more inquiries. Thank you so much for taking a time to read my CV and I am hoping forward to hear from you.

To God be the glory...

Respectfully yours,

Benjie Asoy Magallano
