Dear Dr. Tulin:

Good day!

It's been a while since I graduated from our beautiful institution. I've been doing nothing for quite long because of this pandemic. But now, I think it's time for me to accept the reality that this is now the new normal. So, I am now looking for any job which will suit well with my qualifications.

I have finished Bachelor of Animal Science at Visayas State University-Main last June 22, 2020.

I do believe that I can cope up with any new undertaking because of the many experiences that I had tackled both in school and in real life which made me very firm and dedicated in everything I do.

I would welcome the opportunity to discuss these and other qualifications with you. If you are interested, please contact me anytime or feel free to send me a text message in this number (0951 833 6328). I look forward to meeting you to discuss the ways my skills may serve your institution.

Thank you!

Respectfully yours,
