## SKILLS AND COMPETENCES

- I started working since May 2012 at RAQ farm corporations where my uncle is the farm manager. I was hired first as a farm laborer, and later on, through master basic practice in swine production they made me as one of the farm technicians.
- Had 8 years' experience in swine farming. During my studies from high school to college I worked at my uncle's piggery farm, in all weekends and vacations to support the financial needs in school.
- Acquired 5 months teaching experience in the VSU at Department of Animal Science. I handled laboratory classes.
