Dr. Maria Juliet C. Ceniza
Vice President for Research, Extension and Innovation
Visayas State University
Baybay City Leyte

Dear Dr. Ceniza,

Greetings!

I am excited to apply for the Science Research Specialist I position at the Office of the Vice President for Research, Extension and Innovation at Visayas State University (VSU). With a Bachelor's degree in Agribusiness, earned with honors, combined with my background in research and practical experience in project development, I am enthusiastic about contributing to VSU's pioneering efforts in research and innovation.

Throughout my academic journey, I have actively participated in research projects, on-the-job training, and a comprehensive feasibility study, which have prepared me well for the responsibilities of this role. My experiences have sharpened my skills in data analysis, project organization, and collaborative teamwork, all essential for supporting research initiatives. I am confident in my ability to assist in project implementation, conduct thorough data collection and analysis, and contribute to the development of innovative research outputs aligned with VSU's mission.

The Science Research Specialist I position at VSU stands out to me because of its potential to drive meaningful change within the community and beyond. I am particularly drawn to this opportunity as it aligns with my career goals and my personal commitment to advancing knowledge that benefits society. I am excited to bring my attention to detail, problem-solving skills, and dedication to research excellence to your team.

Thank you for considering my application. I look forward to the chance to contribute to the groundbreaking research initiatives at VSU and to discuss how my skills and experiences align with the goals of the Office of the Vice President for Research, Extension and Innovation.

Respectfully,

Shiela Marie G. Nuñez
Science Research Specialist I Applicant
