

August 4, 2023

Robelyn T. Piamonte, PhD
Department Head
Department of Pest Management
Visayas State University
Visca, Baybay City, Leyte

Dear Ma'am,

This letter intent to express my sincerest interest to apply as a **Part-time** instructor in the Department of Pest Management. The opportunity presented is very appealing and the information I have read suits my ability and career aspirations, with that I would be delighted to be considered for the role.

I graduated from Visayas State University, Visca, Baybay City, Leyte with a Bachelor's Degree in Agriculture with a major in Plant Protection, specializing in Plant Pathology whom graduated as Cum Laude last 2019, and is currently pursuing my master's degree in the same university.

I believe that my qualifications and acquired skills during my educational process would fit for the position that is available. I would love to welcome the opportunity to put on my knowledge and skills at the service offered and contribute to its growth.

This letter can't explain my potential in depth. Thus, I am very much interested for an interview and other screening procedures which might be necessary for this matter.

Thank you for your attention and time. I certainly look forward to hear from you soon about this employment opportunity.

Respectfully yours,

MARIEL B. LIM-LEBIOS
Applicant
