Department Head
Institute of Human Kinetics
Visayas State University
Visca, Baybay City, Leyte

Sir,

One member of the Institute of Human Kinetics faculty and staff informed me that you are hiring for a part-time PE instructor. I want to be considered for this position.

I graduated with a Bachelor of Secondary Education, with a Major in Music, Arts, Physical Education, and Health (MAPEH) last June 2019. I also passed the Licensure Examination for Teachers last September 2019 with an average of 79.00%. During my college days, I underwent practice teaching which trained me to become an effective and efficient teacher. Last semester, SY:2023-2024 2nd Semester I was hired as a part-time instructor, and everything was smooth sailing. I am very proud to say that my experience last semester gave me the strength still to renew my contract with the Institute of Human Kinetics because the institute believed in me and that I could provide something out of my ability, skills, and knowledge that can also help the institute to be more powerful in any circumstances that may happen shortly. I would like to proudly share with you that during the summer recreation program of the Institute of Human Kinetics, I was one of the Swimming instructors with 12 students. It was hard to teach a skill to young students but because of my passion for teaching, I managed to help my young students overcome their fears and develop confidence in swimming as also part of survival skills. I want to be part of the Kinetika team. The team helped me a lot to be a better version of myself. God Bless and more power Team Kinetika!

I would be very glad to come for an interview at your earliest convenience.

Very yours truly,

MICHAEL ANFERNEE A. GORRE
