AL FRANJON M. VILLAROYA

Department Head
Department of Philosophy and Social Science
Visayas State University
Visca, Baybay City, Leyte

Dear Sir,

Please consider this letter in applying for a part-time position established at Visayas State University in the Department of Arts Language and Literature. I believe that I have the qualifications and commitment to uphold a student-centered classroom.

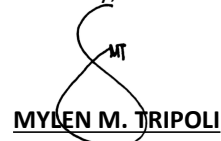

I graduated Cum Laude on August 12, 2022, at the Visayas State University with a bachelors degree in secondary education with a major in English, got the CSC honor eligibility, and passed the Licensure Examination for Teachers on September 24, 2023.

I've been teaching since I was in college because I took advantage of the chance while classes were online during the outbreak of the pandemic. I work part-time as an ESL teacher, where the most of my students are Japanese and I teach them English, which has been a huge help in honing my teaching abilities, and that experience is a solid training ground. But it didn't take long since I went to Cebu to search for a different job, but it ended in despair because I was used to teaching. That is why I returned home to chase my aspirations. And now I am positive and raring to take on the duties of an instructor.

I firmly believe that applying to your department will sharpen my expertise and abilities, as you uphold quality education and produce exemplary teachers that will establish an interesting and progressive outcome in the teaching-learning process for both the educators and learners.

I genuinely hope that you will provide an opportunity for me to have an amazing teaching career at your prestigious Department of Arts, Language, and Literature. I am hoping for your positive response.

Sincerely,

MYLEN M. TRIPOLI
