Visayas State University  
Baybay City, Leyte

Dear Pres. Tulin,

I am writing to express my strong interest in the position of Medical Health Officer III at the VSU Hospital. I am a recent board passer of the Physician Licensure Exam conducted by PRC last November 2020 and have a good background of medical service in both private and public health institutions during my senior clerkship in medical school and post-graduate internship. I believe I would be an ideal fit for this position at your institution.

In my Community Medicine rotation at Amadeo, Cavite, during my post-graduate internship at Philippine General Hospital, I served in the Municipal Health Office and acted as Barangay Physician at Brgy. Minantok East. The times I've spent there has taught me well how to manage common clinical cases as well as help develop my interpersonal skills with fellow health workers at the clinic. The theoretical knowledge I've learned and the skills I honed during my hospital exposure at the PGH, Perpetual Succour Hospital (PSH), and Vicente Sotto Memorial Medical Center (VSMMC) will serve me well for this position.

Thank you for your kind consideration.

Sincerely,
