Dear Dr. Peña,

I would like to apply for the position of 'Instructor' (Job Code: UPBATN) which your office advertised in the VSU website.

I believe I have the necessary skills and experience needed for the position. I have worked with veterinary students for many years and was a teacher in epidemiology and veterinary microbiology. In addition, I have done research and extension work focusing on improving the productivity and health of poultry, livestock, and companion animals.

I am looking forward to a positive reply to this application. Thank you very much.

Sincerely yours,

DR. EUGENE B. LAÑADA
