

# ROD JAMES L. BANDE

**Physics Educator | Research Consultant**  
Cum Laude, BSEd Major in Science (2024)

📞 09510229426      📧 rodjamesbande29@gmail.com

## EDUCATION

### Bachelor of Secondary Education Major in Science

Visayas State University  
Cum Laude  
2020 – 2024

### Science, Technology, Engineering, and Mathematics

Baybay City Senior High School  
Best Research Paper (Life Science)  
2018 – 2020

## EXPERTISE

- Management Skills
- Strong Work Ethic
- Computer Proficiency
- Educational Technology
- Research Guidance

## PROFILE

### Physics Educator | Research Consultant Cum Laude Graduate, Bachelor of Secondary Education – Major in Science (2024)

A passionate and results-driven physics educator with a strong academic foundation and a commitment to excellence in science instruction. Graduated cum laude in 2024 with a Bachelor's degree in Secondary Education, major in Science. Proven experience in facilitating engaging classroom discussions, conducting hands-on experiments, and simplifying complex physics concepts for diverse learners. Serves as a research consultant, guiding academic research projects with a focus on scientific rigor, critical thinking, and data-driven solutions. Dedicated to nurturing curiosity, promoting scientific literacy, and contributing to academic and community-based research initiatives.

## WORK EXPERIENCE

### Research Consultant

**2024 – Present**

Baybay City, Leyte, Philippines

- Guided research design and methodology for student projects at BCSHS and BNHS
- Supported data analysis and manuscript editing
- Mentored teams for research presentations and competitions

### Freelance Tutoring

**2023– Present**

Baybay City, Leyte, Philippines

- Tutored students in Physics, Research (Life Science & Innovation), and Academic Writing
- Assisted students with concept mastery, research paper development, and writing clarity
- Supported exam preparation and project completion across senior high and college levels

### Teaching Internship

**Sep 2023 – Nov 2023**

Baybay National High School (STE Program)

- Designed and implemented learner-centered activities in Physics and General Science
- Assisted in classroom management, assessments, and student performance evaluation
- Collaborated with mentor teachers to enhance instructional strategies and student engagement
