**Dear Chair of the Search Committee,**

I hope this message finds you well. I am writing to express my interest in the part-time instructor position in your department at Visayas State University. As a VSU alumnus and current faculty member at Sasin School of Management, Chulalongkorn University in Bangkok, I would be honored to contribute to VSU's teaching and academic efforts.

I hold a B.Sc. in Agribusiness (Cum Laude) from VSU, an M.Sc. in Crop Science from CLSU under the DOST-ASTHRDP scholarship, and a Ph.D. *by Research* in Agriculture (Agribusiness) from King Mongkut's Institute of Technology Ladkrabang, Thailand. Over the years, I have taught undergraduate and graduate courses in agribusiness and marketing research at institutions in the Philippines and Thailand.

My research focuses on agribusiness management, consumer behavior, and sustainable agriculture. I've published in journals such as the *British Food Journal* and *Business Strategy and the Environment*, and I regularly mentor MBA and DBA students in research projects.

If given the opportunity, I would be glad to support the department's instructional and research goals in any way I can. Thank you for your kind consideration.

Sincerely,  
Harry Jay M. Cavite

Sincerely,
