Dear Ma'am Limbo,

It is a great pleasure that I am seeking to secure for a teaching position as a Physical Education Teacher within your institute. I believe that my instructional abilities, strong interpersonal skills and work ethic would benefit your educational program.

The enclosed resume shows the extra-curricular activities, seminars and trainings that I have participated during college. I have also taught children in elementary level. As a result, I am now a person who can assess students in different levels who has unique needs, and provide them individualized support to accommodate diverse interests.

I motivate students to determine their inner strengths and abilities by conducting exciting games, activities and sports. It will reinforce the importance of physical fitness. I aim to provide a stimulating learning environment that encourages the students to trust their own opinions while fostering confidence in order for students to realize their full potential.

I use a highly beneficial style of teaching, the method of facilitating. Letting the students to construct their own learning experiences can retain the information longer and can make them more confident with their abilities. Being devoted to this assertion confirms that I have made the right career choice.

I welcome the opportunity meeting with you to discuss how my qualifications would best meet the needs of your educational program. Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

MARICAR C. ABERGIDO
