

FELIPPE NIÑO LUSARES

CIVIL ENGINEER/MASTER
PLUMBER

PERSONAL PROFILE

A civil engineer currently pursuing master's degree for my career growth and development. I always believe in practicing excellence in order to give the best quality of work in whatever line of industry I would want to pursue in the future.

WORK EXPERIENCE

Part-Time Instructor (VSU Main Campus)

February 2022 - June 2022

- Conduct day-to-day lectures on the following courses such as AutoCAD, transportation engineering, statics of rigid bodies and strength of materials.

Part-Time Instructor (VSU Main Campus)

August 2022 - June 2023

- Handled engineering courses such as engineering management, engineering economy, building technologies, statics and dynamics of rigid bodies.

EDUCATIONAL HISTORY

University of San Carlos - Talamban Campus

*MS in Civil Engineering Major in Structural Engineering
| August 2023 - Present*

- Studied design of different types of structures
- Able to work with different people in the engineering industry and in the academe

Visayas State University - Main Campus

BS in Civil Engineering | June 2015 - June 2020

- Equipped with knowledge in theories of solving problems related to civil engineering.
- Able to present our thesis about transportation engineering to the TSSP conference held on the year 2021.
