To whom it may concern,

I am writing to express my interest to apply for **Science Research Assistant** and here to present an application letter with attached updated PDS, Proof of eligibility and certificates. I graduated from Visayas State University- Visca, Baybay City with a degree in Bachelor of Science in Agribusiness. I believe that I have the qualification required together with my knowledge, skills, and experience that could make contribute in your office. I am also willing to do extra work that will give me further improvement and acquire develop new skills and experience.

I am fervently hoping and praying that you will consider my herein application. Rest assured that will give my best to help the administration in delivering Effective Public Service more particularly in the continuous improvement and development and continuously support every project and program of the administration that will benefit our constituents. I hope that you'll find my experience and interest enough to warrant a face to face meeting.

Again, thank you and God bless.

Sincerely,

Darwin Espina Marco
