

About Me

My name is Mac Lhenry. I'm 22 years old. I have a bachelor's degree in accountancy from the College of Maasin. Throughout my career, I gained comprehensive knowledge in budget planning, financial analysis and problem-solving and decision making.

Aside from my professional life, I'm an avid sports enthusiast. I actively participate in volleyball leagues and enjoy playing with a local team during weekends. Being physically active not only keeps me fit but also allows me to unwind and relieve stress.

As a person, I'm friendly, approachable, and always open to new experiences. I value personal growth and believe in continuously expanding my skill set. I'm excited about the future and the endless possibilities it holds for both my professional and personal development.
