

Curriculum Vitae

A versatile visual artist that has a lot to offer in different styles of art. Works with passion, heart, aesthetic, and ambition. Michael is an artist that aims to produce quality works with his effort and patience, he believes in the principle of quality over quantity. For him, art is something that one can utilize to leave traces of who they are, whether it be within the eyes of the beholder, or their hearts. He believes that each fragment of an artist can help change or at least spark something within the audience's consciousness.
