HONEY SOFIA V. COLIS
Director, HRMO
VSU, Baybay City, Leyte

Dear Ma'am;

Good day!

This is to respectfully express my intention to apply for the recently posted positions in CSC website with following Position Titles:

1. ADMINISTRATIVE OFFICER V (Management and Audit Officer III), (SG 18) at the VSU MAIN (Quality Assurance Office)
2. ADMINISTRATIVE OFFICER IV (Management and Audit Officer II), (SG 15) at the VSU MAIN (Quality Assurance Office)
3. ADMINISTRATIVE OFFICER II (Management and Audit Analyst I), (SG 11) at the VSU MAIN (Quality Assurance Office)

I am a graduate of Bachelor of Science in Statistics at Visayas State University and have finished my Master in Management major in Public Administration at Philippine Christian University, holding with First Level Eligibility and Second Level Eligibility.

My previous work as a **Statistician** position in System and Procedure Improvement Division (SPID) in the Manila International Airport Authority (MIAA) and **Researcher** position in Plans and Programs Division (PPD) in the same agency gave me experience in forecasting and analyzing of data using statistical method for the development and implementation of a successful airport operations.

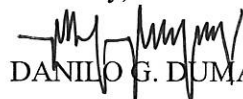

And, in my current work as a **Terminal Operations Assistant A** position in **Airport Ground Operations and Safety Division (AGOSD)** in the Manila International Airport Authority (MIAA) has given me experienced in Gate planning, Airport flight information, aircraft coordination and integration of data in four terminals. In addition, I was assigned in the **Office of Senior Assistant General Manager (OSAGM)** for doing the Presidential Management Staff (PMS) Daily Accomplishment Report and Weekly Airport Sector Report during pandemic and send to DOTr office and Office of the President thru email. Recently, I'm prepare, tabulate, consolidate and analyze the data of flights and passengers for the monthly and quarterly statistics report of NAIA operations.

This background, combined with over fourteen (15) years of general airport operations, abilities in data and statistical analysis, and development experienced, has given me a unique perspective that would be valuable in meeting the responsibilities of the positions above. I would welcome the opportunity to meet with you to discuss my qualifications details.

Thank you for taking the time to consider this application.

God bless you always with your family.

Sincerely,

DANILO G. DUMAGUING
