○ DEAR MA'AM/SIR,

I am writing to express my interest in being a part of the faculty of the Department of Philosophy and Social Sciences.

I am a fresh graduate with a degree of BA in Anthropology from Silliman University in Dumaguete City. During my time as a student, I was an active member of governing body serving as the president of the organization Junior Anthropologists and Sociologists of Silliman (JASS). During my time as a student, I was able to be involved in community building through the department outreach program held last 2023, I was also involved in the gender and development seminar of the City Government of Dumaguete City.

Although I am a fresh graduate, my experience with teaching is still limited, but given the chance to be a part of the faculty, it will benefit us both by me being able to deliver the needed lessons to be given to the students, and also it will further develop my skills to be an Anthropologist.

I am excited to hear from you and to learn the opportunities in joining your team. I look forward in discussing how we can grow together. Please do let me know if you have questions through my email kurtdceniza@su.edu.ph or through my mobile: (+63) 995 505 0545

Sincerely,

Kurt Jose Daniel D. Ceniza
