Prof. Anatolio N. Polinar
Head, Department of Forest Science
Visayas State University
Visca, Baybay City, Leyte

Dear Prof. Polinar:

I am interested in applying again for a Part-time Instructor position in our Department of Forest Science. I am always enthusiastic about learning more profoundly about the subjects assigned to me, and I am thankful for the opportunity to share my knowledge with the students. Handling more classes than usual last semester was challenging, but it made me even more passionate about teaching.

My 6-year teaching experience taught me to be adaptive, patient, and engaging with my students to uphold the highest standard of university learning. With my proven track record in instruction and research, my interest and experience will help uncover the best in students from different backgrounds.

Thank you for considering this application. With my skill set, I hope I can once again be part of the dynamic faculty of our department. I look forward to discussing with you my qualifications in further detail.

Sincerely,

SAMUEL O. BERNALDEZ
