Station Manager  
DYDC FM  
Visayas State University  
Visca, Baybay City, Leyte

Dear Sir,

Warm Greetings!

I am writing to express my sincere interest in the permanent position available at **VSU DYDC FM**.

Currently, I am working as an Office Staff at the Baybay City Parole and Probation Office, where I handle messengerial tasks and assist my supervisors with various administrative duties. I also have three years of experience as a Traffic Enforcer, which strengthened my discipline, time management, and sense of responsibility. Additionally, I completed my on-the-job training at the Baybay City Water District, where I performed essential office support tasks.

From 2015 to 2018, while pursuing my college education, I worked as a helper at Botica Cayunda to support myself. This experience instilled in me the values of hard work, honesty, and dedication—qualities that I consistently bring into every role I take on.

I am particularly motivated by the opportunity to join a respected institution such as the **VSU DYDC FM**, where I can play a role in ensuring the effective implementation of its programs and goals. I hold a strong commitment to advancing the organization's mission and serving the community it represents.

These diverse experiences have equipped me with a strong work ethic, adaptability, and a willingness to take on different responsibilities. I am confident in my ability to contribute positively to your team and to fulfill the duties entrusted to me with diligence and integrity.

Thank you for considering my application. I look forward to the opportunity to be part of **VSU DYDC FM**. You may reach me at 09203429869 or [rodulfofelisadojr@gmail.com](mailto:rodulfofelisadojr@gmail.com) for any further information.
