DR. ANDREW A. MAZO

Director of Institute of Human Kinetics
Institute of Human Kinetics
Visayas State University
Visca, Baybay City, Leyte

Dear Sir,

I am writing to express my interest in the Instructor position at the Institute of Human Kinetics, Visayas State University. As a Cum Laude graduate of Bachelor of Physical Education from VSU, I am confident that my skills and experience make me an ideal candidate for this role.

With my experience as a Senior High School Teacher at St. Aloysius Institute of Technology and Practice Teacher at Baybay National High School, I have developed strong teaching abilities and a passion for sharing knowledge with students. My expertise in physical education, combined with my leadership skills and experience in organizing and managing sports competitions, would enable me to design and deliver high-quality courses in human kinetics.

I am particularly drawn to this role because of the opportunity to teach and inspire students in the field of human kinetics at the university level, which aligns with my immediate objective of teaching in a university. I am excited about the prospect of joining the VSU community and contributing to the development of students.

As a recent graduate with a strong academic background and relevant experience, I am confident that I would be a valuable addition to the Institute of Human Kinetics. I am eager to further my education and obtain a Master's Degree and Doctorate Degree in the future, which would enable me to provide high-quality instruction and contribute to the advancement of the field.

Thank you for considering my application. I have attached my resume for your review. I look forward to the opportunity to discuss my qualifications further.

Sincerely,

MAY KATRINA O. LUCERO, LPT
