Dear Ma'am Honey Sofia V. Colis,

I am writing to express my strong interest in the position as a college instructor at Visayas State University. I graduated at Saint Joseph College with a bachelor's degree in philosophy. As a recent graduate with no work experience, I am committed to my never-ending learning and bring my passion for critical thinking and philosophical inquiry to your students. I am well-prepared to contribute significantly to the goals and objectives of the department.

My academic journey and being a former seminarian of Saint Pope Paul VI seminary have developed my critical thinking and love for philosophizing. It has equipped me with strong interpersonal and communication skills, which are very important in connecting to the diversity of students. I am committed to fostering an engaging and inclusive learning environment where students can explore complex ideas and develop their own intellectual perspectives. My experiences as a philosophy student have prepared me to be able to create engaging and thought-provoking learning for students.

I am impressed by Visayas State University's commitment to academic excellence and holistic education. It would be an honor to contribute to the philosophy program and inspire students to explore meaningful questions and ideas. Since I have no teaching experience yet, I am eager and committed to my ongoing professional development and, at the same time, developing the quality of myself as a human person.

Thank you for your time and consideration. I am much grateful for this opportunity, and I look forward to the opportunity to discuss how my skills and dedication can contribute to the academic community at Visayas State University.

Sincerely,
Lemuel Rev R. Neri
