VIC ANGELO L. IMPAS

Department Head
Department of Mechanical Engineering
Visayas State University
Visca, Baybay City, Leyte

Subject: Application for ASSISTANT PROFESSOR I

Dear **VIC ANGELO L. IMPAS**,

I am writing to express my interest in the ASSISTANT PROFESSOR I position at the VISAYAS STATE UNIVERISTY as advertised at your website. With my background in renewable and sustainable energy system design, research and development of gear drive in various application, I am confident that my skills and qualifications align well with the requirements of this role.

As a former Project Head at Sumitomo Heavy Industry Design and Manufacturing Inc., I led research and development initiatives for planetary gear drives across diverse applications and different power transmission and control systems. I am a holder of Master of Engineering in Mechanical Engineering. As an **Instructor 2** in the **Department of Mechanical Engineering**, I actively participate in curriculum development, ensuring that course materials remain relevant to industry trends and advancements. I also contribute to research initiatives, guiding students in projects that enhance their analytical and innovative capabilities. My role extends to administrative duties, collaborating with colleagues to improve academic programs and maintain high educational standards. I can also speak Japanese with a Japanese Language Certificate level N4.

Furthermore, I engage in professional development activities to stay updated with emerging technologies and best practices in mechanical engineering. Through my dedication and expertise, I strive to inspire students, equipping them with the knowledge and skills necessary for success in their future careers. My role is not just about teaching it is about shaping the engineers of tomorrow.

I would welcome the opportunity to further discuss how my skills and experiences align with the needs of the VISAYAS STATE UNIVERSITY. I am available for an interview at your convenience and can be reached at 09394313707 or joelinforon@gmail.com.

Thank you for your time and consideration. I look forward to your positive response.

Sincerely,

Joel M. Inforon, MEng
