WORK EXPERIENCE

Part-Time Tutor
2020-2021
At the height of COVID-19 pandemic, I was asked to teach some of our neighbors' sons and daughters, dutifully aiding them in learning their modules.

SKILLS

Basic Computer Literacy
Attention to detail
Computational
Problem-Solving
Organization
Active Listening
Social Communication

PROFILE

Hopeful fresh graduate with a degree in Bachelor of Secondary Education Major in Mathematics and proven skills in teaching, computation, and computer. I am willing to learn and grow within a supportive and dynamic environment that values learning and development opportunities. I am eager to discover and apply more skills to contribute to the company's (and client's) success in an entry-level position.
