Dr. DANIEL LESLIE S. TAN

OIC President

Visayas State University

Baybay City, Leyte

Dear Dr. Tan,

Good day! I read with great interest in your Ad. I am applying for **Instructor II**. I believe that this position offers the challenges that my education and experience have prepared me to handle such tasks on professional basis.

I am a graduate of Visayas State University-main campus and holds a Master's Degree in plant Protection last August 2023 and currently working as an instructor in the Department of Pest Management here in our university.

With more than a year of teaching experience and three years of extension service in the Department of Agriculture-Regional Field Office 8. I am enthusiastically dedicated to the work assigned to and very aggressive on attaining good results as to the tasks given to me for the goodness and overall agriculture and academic development. In connection to this, I am currently seeking a good position with reputable company that meets my qualification and expectations as a Plant Protectionist and as a Plant Pathologist, where my expertise can really be put into use.

Finally, I am available anytime to discuss further anything about the matter. In connection to this, please see attached PDS for your perusal. Here below is also my email, contact address and number in case you are interested in my profile.

Thank you so much for your precious time and consideration and looking forward to hearing from you.

Best Regards
