

# OLIVE ANN G. ANONAR

olive.anonar@vsu.edu.ph | (+63) 9691893117 | Visca, Baybay City, Leyte

## SUMMARY

I am a meteorology graduate with a strong academic background and practical experience. My professional education units and experience in support services and research assistance enable me to translate complex concepts into engaging lessons. I am committed to fostering a dynamic learning environment and inspiring students to excel in meteorology.

## EDUCATION

**Professional Education Units** (*August 2023 - December 2023*)  
Biliran Province State University - Biliran Campus

**Bachelor of Science in Meteorology** (*August 2019 - August 2023*)  
Visayas State University  
*Cum Laude*

## WORK EXPERIENCE

**Research Assistant** (*March 2024 - PRESENT*)

- Research Assistant at Instruction and Evaluation Office - Visayas State University
- Teacher Performance Evaluation System (TPES) Project

**DepED - Support Service Personnel** (*September 2023 - December 2023*)

- Support Service Personnel at DepEd Biliran Division - Caraycaray Central School
- Revision of Project Procurement Management Plan (PPMP)
- Assistance in the Procurement Process
- Financial Management and Accountability

**Internship** (*July 2022 - August 2022*)

- Meteorological On-the-Job Training at DOST-PAGASA Tacloban Synoptic Weather Station
- Conduct hourly weather observations with precision and attention to detail.
- Utilize PAGASA software proficiently for data encoding and transmission to the central office.
- Accurately transcribe weather data onto surface observation charts for comprehensive analysis.

## RESEARCH STUDIES

**Thesis**

*Performance evaluation of satellite-derived rainfall data from GPM-IMERG in Leyte, Philippines*

**Colloquium Presentation**

*Establishing the rainfall pattern of Leyte island using GPM-IMERG dataset*

## KEY SKILLS

- Communication skills
- Computer skills
- Critical thinking skills
- Self-management
