To whom it may concern,

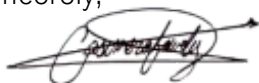

As a highly driven, enthusiastic, devoted, dedicated, educated, and licensed professional teacher. Please consider this letter as my intent to apply for a teaching position in your established institution. I opted to submit my application to your institution since my friends informed me that you provide excellent opportunities for your teachers to refine their abilities and develop themselves. I feel that picking what is great can bring out the best in people like myself who strive to grow continuously.

Throughout my schooling, I have strived to distinguish myself as a hardworking individual and aspiring leader in all activities. I've learned how to efficiently manage my time and balance many chores and activities because I'm dedicated to learning and developing myself. Despite my difficulties, I obtained my Bachelor of Elementary Education from Leyte Normal University last year. Magna Cum Laude, the Latin honor, was bestowed on me. In addition, I received the John Dewey Award for Academic Achievement and the Practice Teaching Proficiency Award for my internship. I am confident in my accomplishments since I worked hard to overcome all of the obstacles I encountered. I'll never forget my cooperating teacher's words of admiration for my potential and I believed her because I saw it in my performance. Moreover, I passed the Licensure Examination for Teachers last March 2024.

I hope you agree that my knowledge and skills make me an outstanding fit for that role in your institution, allowing me to progress effectively. If my slot is for me, I will not let you down with my performance. This is an honor and a chance for me to show off my capabilities, and I am sure I can fill it with enthusiasm, energy, and confidence along with good behavior and communication skills.

Thank you for your attention, and I look forward to hearing from you soon. I appreciate that you took the time to read this message. May God bless everyone.

Sincerely,

Lovely Jean L. Casimero
